Transportation, Inc., 6938 Faust Street,) CHANGE IN PASSENGER
Columbia, South Carolina 29223 (District 2)) RESTRICTION AND
for a Class C (Non-Emergency) Certificate of) AMENDING
Public Convenience and Necessity) CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Executive Medical Transportation, Inc. (the Applicant) filed September 29, 2010, whereby the Applicant seeks approval of an amendment to Class C Non-Emergency Certificate of Public Convenience and Necessity No. 7917-A. The Applicant requests approval of a change in the passenger restriction appearing on such Certificate.

A review of the docket file reveals that the original Certificate (Certificate No. 7917) to render motor passenger service in the present docket was issued pursuant to Commission Order No. 2008-71, in the name of Executive Medical Transportation, LLC. Thereafter, by Order No. 2010-171, issued March 10, 2010, Certificate No. 7917 was amended to reflect a change in the name appearing on the Certificate to the present name of Executive Medical Transportation, Inc., and accordingly Certificate No. 7917-A was issued.

The Applicant now seeks to amend Certificate No. 7917-A by a change in the passenger restriction appearing on such Certificate.

Currently, the Applicant's authority to provide passenger service (Certificate No. 7917-A) reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina,
Restricted To: Five (5) Passengers.

The Applicant requests to increase the passenger restriction from five (5) to fifteen (15) passengers.

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 7917-A of Executive Medical Transportation, Inc. by changing the passenger restriction thereon from five (5) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by such Certificate but does not otherwise authorize any change in the operation of the regulated services.

3. An amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further Order of the Commission.
